

2010

Be a part of Oklahoma's best lake association.

The Skiatook Lake Association

The SLA offers potential members the opportunity to enjoy lake recreation and social functions that no other lake association offers. In 2009 the SLA activities included the five race series for the highly coveted "Osage Cup", two Lake Clean-Up Days, Poker Run, The Great Halloween Bash, the Wine Tour, TASM Tour, Fireworks Display, beer tastings, social parties, general meetings, and our very controversial newsletter... **The Wave**. 2010 promises to be another banner year as we plan on adding new activities and improving the enjoyment of our lake recreation. So get onboard and sail with people who take partying to a whole new level!

Our Mission:

"To promote and improve the recreational and environmental qualities of Skiatook Lake"

Tim Hutto
